

1 March 1985
MLD-5009

MEMORANDUM FOR: Director, Foreign Broadcast Information Service

FROM: Chief, London Bureau

THROUGH: Chief, Operations Group

SUBJECT: Monthly Report - London Bureau - February 1985

I. GENERAL

1. BBC Modernization: The upheaval became visible this month with the arrival of three of the four sets of portakabins to house PMU and BBC units. The PMU portakabin, consisting of eight units joined side-to-side to form one huge room, is in place at the east end of the building. The others are to the right and left of the main entrance - for engineering and house services components - and across from the entrance, where the BBC Club's 11-unit accommodation is sited at the edge of the playing field. The latest modernization bulletin outlines works and activities in chronological order through to "winter 1989 - 2d floor refitted; FBIS and PMU transferred."

The computer system sought by the Monitoring Service was described in a frontpage article in the 27 February issue of the BBC house organ ARIEL, which said about 40 firms had been contacted to see if they were interested in tendering for the £2 million project. The contract is expected to be awarded by the end of this year and system testing completed by June 1987. The system, expected to be the biggest in the BBC, will have 174 VDU inputs, be connected to 100 printers, and be able to store 2 billion characters. The computer's tasks, ARIEL said, would include storing teleprinter material from news agencies around the world and monitoring units abroad and "receiving information" from its American counterpart, FBIS.

2. One new story captured media attention and relieved the tedium of February weather, the pound's continuing decline, the slow unraveling of the year-old coal miners' strike, and the debate over the BBC license fee. A jury threw out the government's charges against a high civil service official in the Ministry of Defense, Clive Ponting, for his decision last summer to leak government papers on the sinking of the Argentine ship Belgrano to a Labor MP. The verdict started a hue and cry over the Official Secrets Act and prompted a day-long parliamentary debate led off by Defense Minister Heseltine, whose mission, according to one journalist, was "to sink the Ponting." The Commons was quickly nicknamed "that village pub, the Old Belgrano," and an Observer columnist, writing about leaking of documents from London Weekend Television,

- 2 -

introduced a new noun in remarking that there are still "people at LWT who believe in the habit of 'ponting.'"

II. OPERATIONS

The bureau, the BBC, and "especially PMU" were commended by Washington for the "timely, expert" processing of Soviet leaders' election speeches during the Supreme Soviet election campaign. Aside from the election speeches and the reappearance of Chernenko there were no particularly notable events, but the total bureau average daily wordage was the second highest ever for February, at 95,210 (highest was 100,840 in February 1981 - the bureau record for any month). The daily file exceeded 100,000 words 16 times during the month, the highest being 140,290 on the 13th.

III. ADMINISTRATION

Personnel

1. Editor [] was promoted to GS-12 and editor [] has received his promotion to GS-10.
2. Part-time admin assistant [] was feted at a pub lunch on the 15th marking the end of her contract, and [] EOD'd as a second part-time admin assistant, backing up []

IV. VISITS

To the bureau: The [] began their three-week training visit on the 19th. Two new BBC monitors, James Champion of the German team and Jasna Lukic of the Serbocroatian team, were given FBIS briefings by Chief Editor []

From the bureau: Bureau Chief [] and Chief Editor [] visited the Autodin Switching Center at Croughton on the 11th and were briefed by Captain Kamysz and Captain Harmon. Chief Engineer [] returned on the 6th from a TDY at Jordan Bureau to install a line selector designed by his deputy, [] with a TDY stopover to see Regional Engineer [] at Nicosia Bureau. Admin Officer [] visited RAMC Paris on the 7th for a briefing on functions of and equipment used by that office. Teleop [] on loan to Gulf Bureau, returned from a five-week working TDY on the 7th.

V. CONVALESCENCE

Teleops [] are recuperating from their respective knee operations. Their progress is a relief

- 3 -

to their colleagues who at one point were in danger of injury from tripping over the two Johns' crutches.
